

Pérez Luis - Caberrubia NV 'Saca X'

95 punten door Tim Atkin: "A Fino-style wine without fortification or solera ageing, the Caberrubia Saca IX is a blend of añada wines from 2017 and 2018. Super fresh, toffee apple and tarte tatin top aromas place this wine somewhere between the Jura and Sherry. Very fine flor influence but still plenty of aldehydic heft. A long, layered finish with a twist of salinity"
