

Pérez Luis - Villamarta 2015

Bekroond met 97 punten door Tim Atkin: "Again made with fruit from Carrascal, the Villamarta is a Fino-amontillado which undergoes ten years of static ageing with flor. Lees stirring every two weeks brings structure to the midpalate, and there is a lovely weight and velvety smoothness here. Classic aged Fino characters of apple skin, beeswax and quince with a complex, layered finish, at once chalky and salty. Very fine."
